## AWARDS BANQUET

## "AN EVENING TO REMEMBER"

Our final evening together is a special evening. It is your night to be pampered, and to be honored. At the Awards Banquet every girl who has assisted in the Fair's unfoldment will be acknowledged and honored before her sisters.

Traditionally, we have presented four awards to participants chosen by their sisters in a secret ballot, and three awards to participants chosen by the Steering Committee. On the bottom of this page you will find a ballot. Please vote for your choice in each of the four categories listed below. Seal your ballot in the attached envelope and return it to your Residence Coordinator by noon on Thursday.

Please note that the object of the voting is not so much to find a winner in each of the catagories. It is, rather, to select someone who can typify and represent the spirit of each category for us all. Here are criteria to guide you in selecting nominees for each of the four awards:

- <u>MS. CONGENIALITY</u> -- Which of the participants, in your mind, was the most open and outgoing, easy to talk to, make friends with, and seemed to bring a certain "sparkle" to a group?
- MS. CINDERELLA -- (This award goes to a first-year participant only.) Which first-year participant really "came out" and let her femme personality sow during the Fair period? In other words, as the week went on, which seemed to blossom out?
- <u>MS. FEMININITY</u> -- Look for the total femme image. Which participant, in comportment and deportment, exemplified the successful femme image best? In other words, which participant most successfully stayed as "sister" throughout the week?
- <u>MS. BEST DRESSED</u> -- This is not a beauty contest award. Bather, it is to go to a participant who showed good taste in style and manner of dress -- not the flashiest or most expensive clothes, but dressing in a tasteful, consistent, authentic way.
