LADIES OF THE FAIR

KATHY A (RI) Sociological Seminar Visiting
Interested in the feminist movement, role model training, and believes that crossdressers should learn their skills from a woman. She is an expert on the "berdache" cross-dressers among American Indian tribes.

LAUREN A (NY) Hargood #10
Laura is a returnee to FF. Definitely a Hargood Girl, wouldn't come to the Fair unless she could live in her home away from home. Likes pre-1930 jazz and the classics. Plays tennis. Loves to talk. Disappointed in seeing bad manners. Delights in meeting intelligent people with a sense of humor

MARIETTE P-A (NY) Staff Photographer Fairbanks Inn Studio in Gifford House
Enjoys good CD stories, always seen with a camera, and delights in taking pictures of CDs caught up in deep thought. Does great portraits. Her efforts in educating the public in the nature of cross-dressing have been heroic. Must read her book, Transformations.

LILLIAN A (VA) Elephant Walk #8
Enjoys Jazz and big bands while gardening. "Darling your slip is showing." Into photography and show business. First fair.

ALICIA A (OH) Gifford #8.
A good friend of Sheila Kirk who missed last year, but is finally going to make it with her roommate Dempisie. We all look forward to meeting them at long last. Sorry we haven't got a "legend" from them.

SHARON B (NH) Chicago House Apt.
Hobbies like model railroading to astronomy take Sharon's mind off her profession of marine engineer. So do going to a ski club party as a bride, Hallowe'en and events like Fan-Fair. Her partner plans to visit during the Fair.

MARY ANN B (MA) Audio Systems 6 Webster #2
Mary Ann loves to collect records and CD's. While she listens to her music she enjoys to cook and look out over the ocean. She dislikes winter and right wingers. She seeks new friends.

KATHRYN B (CA) Hargood #4
Lauren is Kathryn's partner. No legend sheet received to date.

WINNIE B (NY) Fashion Show Hargood House #11
Winnie returns after a year to take charge of our Fashion Show. (Fourteen Fairs) Winnie is a lovely lady with a charming way. In acting circles would be known as a "quick study" in that she can put a new act together in simple minutes. A dear friend.

Betty Ann Lind says, "Transformations is a lovely collection of excellent photographs interwoven by well chosen understanding words."
